(Structure 23, 1678–1691, September 1, 2015)

Nan-Sheng Li (of the Department of Biochemistry and Molecular Biology at the University of Chicago, Chicago, IL) had previously synthesized the reagent “Biotin-tris-nitrilotriacetic acid” that was used in some of the experiments in this manuscript. The authors regret that Nan-Sheng Li’s name was omitted inadvertently from the author list. The corrected author list is printed above, and the corrected article has been posted online.
